Presidents Message

Welcome back quilters!

September may feel like the end of summer, but it's just the beginning of our quilt year.

Our September meeting is also our Annual General Meeting. And while that seems routine, we have some big plans in the coming year. One thing the board has decided on, is that we will do three meetings via Zoom again this year in the winter months - instead of meeting in person. Doing this means we can join from home, or for our snowbirds, they can join from a warmer location, during winter's most cruel months. It's also allowing us to bring in presenters from other provinces and cities. You'll hear more about it in the meeting from Linda B. The coming year's lineup of workshops is impressive as well - Aline M. will fill you in on that. We want to put more money towards things such as our program presenters and workshop, and that means we're making choices about other things, such as newsletter. We'll continue to have an online newsletter, but will only print what's necessary for the meeting.

We will continue to provide a zoom option for our regular meetings, and we are working on our sound issues - so that it's less noisy for those watching from zoom.

I'm super excited about our September meeting guest. It's always wonderful to find someone who loves quilting as much as we do, and loves to celebrate it. I have a feeling this is going to be a fun presentation, and a great year ahead.

Also wanted to give a high five to Lynn, one of our new board members. This is her first newsletter. And she's doing an awesome job.

One more thing, I know the province has dropped the mask mandate. But all indications are that there is a new variant on the rise. It's not mandatory, but please consider bringing and wearing a mask to the September meeting.

FALL IS UPON US

Hello, I hope everyone and their friends enjoyed a great summer! I thought I would try something new this year (unusual eh). Instead of sending advertising, I would write a little paragraph on the happenings @cindy-rella's each month. I hope you enjoy each month with a little story!

The picture on the side was a BBQ we had the summer of 2018 . We were well on our way to enjoying our new location and thanking our customers for dropping by with a free picnic and really missing the Moosejaw quilts in the park day so we thought we try our hand at it. Then you can probably guess what happened, Covid! Little did we know, the next two years were about to change the way we do business forever. I lost all my staff for about 6 months and hired one, Alyssia. Alyssia and I came to work in our sweats and brought fabric to the window and filled online orders! Fortunately, we already had an online presence and we became busier then ever before. I even did machine demos thru the window while all classes were cancelled. We wondered when this would ever change...and if we needed a drive-thru!

CINDY-RELLA'S 2022/2023

Lots changed in the last 3 years. I renovated the store layout once again (I believe this is it!). Someone had told me that it takes awhile to figure out where everything goes and I laughed. Well...they were right. Within 5 years, we have had one ten year anniversary, a few new and familiar staff, the doctor's clinic closed (my husband is semi-retired) and more renovations! We are well on our way to a having 10,000 sq feet of sewing and quilting fabric, machines (the 3 b's as they say; Bernina, Brother, and Babylock) and notions. Please stop by and see our new Longarm, Seasonal, Blender and Licensed, Fashion, and Demo Room. Also check out our 1600sq classroom that has now been divided into 2 classrooms! This means our demos are coming back on Wednesdays again! Watch for the times and project in store, email, Facebook and Instagram.

Hope to see you soon,

Cindy-rella

Workshop Information

Our first workshop will be held on Saturday October 22nd from 9-4 at the Saskabilities Center.

Participant Cost \$40.00.

Holiday Applique Poinsettia bench pillow or table runner

Instructor- Lori Tourscher.

This pattern has been chosen because of all the different applique techniques that could be used. In this class we will cover several different applique methods using freezer paper, fusible interfacing and wash away interfacing. We will explore different ways to make and applique stems (skinny strips).

Title- Christmas Appliqué Pillow.

Payment due by Friday, October 14th
Class limited to 15 participants.

Lori has been quilting for 30 plus years and she has tried just about every kind of quilting. She started out making traditional quilts then art quilts and now has moved on to making mostly modern quilts. While she likes piecing and trying new techniques the greatest joy she gets is from doing the machine quilting a quilt is not done until it is quilted to death.

Lori is a member of the Prairie Piecemaker Quilters' Guild and Regina District Modern Quilt Guild. She has been teaching quilting classes for 30 plus years she has taught machine quilting and embroidery, creative clothing, creative and traditional quilt classes.

She uses traditional methods in a different way. She is always trying new techniques and methods and combines the new things learned with the old. She gets bored making the same block or pattern over and over as a result she seldom makes the same quilt twice. If she does make the same block she varies the fabrics used in the blocks resulting in a scrappier less structured looking quilt. So she can use a traditional pattern or block but because of the fabrics used it looks new and fresh. She has a unique and different color sense than most people; she sees the undertones in the fabric and not just the base color most people see. She has the ability in see what a project will look like before it is started.

Scrappy Mystery Quilt 2022 -2023

September 2022 by Tannis Fahlman

This year I am going for a beginner mystery quilt. No curves, half square triangles, or tiny pieces. Skill building lessons are accurate cutting and $\frac{1}{4}$ inch seams. Pattern testers are Darlene Stewart and Bonnie Racz.

I am trying to expand my horizons and try a scrappy quilt a first for me. I have been told, this is a great way to use up some of the scraps you have on hand or make friends with someone who has a stash. My suggestions are as follows: use one colour for a background, a different colour for the accent (I used the word black in my directions) and other colours for the scrappy part. You need anywhere from 15 to 30 different fabrics for the scrappy part. Example red is background, yellow is accent and blue is scrappy. Also, you can use white for background, black for accent and multi colours for scrappy.

Fabric Requirements

Background- 1.5 meters (can be scrappy also just use similar

Black .9 meters (can be scrappy also)

Scrappy .9 meters 15 to 30 different fabrics

Background

$6\frac{1}{2}$ Sq -2

$6\frac{1}{2} \times 4\frac{1}{2}$ -8

$6\frac{1}{2} \times 3\frac{1}{2}$ - 2

$6\frac{1}{2} \times 2\frac{1}{2}$ - 12

$4\frac{1}{2} \times 4\frac{1}{2}$ - 4

$4\frac{1}{2} \times 2\frac{1}{2}$ - 42

$3\frac{1}{2} \times 3\frac{1}{2}$ - 12

$3\frac{1}{2} \times 2\frac{1}{2}$ - 4

$2\frac{1}{2} \times 2\frac{1}{2}$ -40

Black

$3\frac{1}{2}$ Sq - 28

$4\frac{1}{2} \times 2\frac{1}{2}$ -12

$2\frac{1}{2} \times 2\frac{1}{2}$ - 77

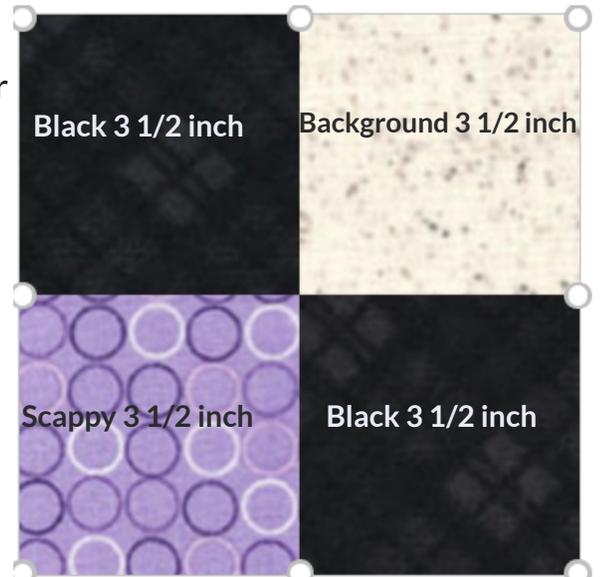

Scrappy

$3\frac{1}{2}$ Sq - 16

$3\frac{1}{2} \times 2\frac{1}{2}$ - 4

$4\frac{1}{2} \times 2\frac{1}{2}$ - 12

$2\frac{1}{2} \times 2\frac{1}{2}$ -108

September Block

Make 8 Squares - $6\frac{1}{2}$ squares

Fabric

Background

$3\frac{1}{2}$ sq -8

Black (accent colour)

$3\frac{1}{2}$ Sq - 16

Scrappy

$3\frac{1}{2}$ Sq - 8

Directions:

Sew a black square to a background square using a $\frac{1}{4}$ seam allowance. Sew a black square to a scrappy square. Sew the four patch together making sure the blacks (accent colour) are opposite and the background is in the top right side. Make 8 - $6\frac{1}{2}$ inch squares

UFO Challenge

I cant believe it - another quilting year has gone by, the summer is over and Fall is about to begin. last year was a very successful quilting year with many unfinished projects completed. In 2022 we are again going to have the UFO Challenge. I hope to have as many participants as we had last year. For those quilters who have never participated or need a reminder the following details should help explain the process.

A UFO in an unfinished object. One that you have started previous to September 1, 2022. The challenge is to complete these items to give your TEAM points and maybe win a prize. I randomly create teams after the October meeting based on how many participants/UFO's.

The guild member enters the name of the quilted item (please provide some details) along with the size (perimeter in inches) on the challenger register sheet. Each completed item with a label will earn an extra point. The completed list must be returned to me no later then October 20, 2022.

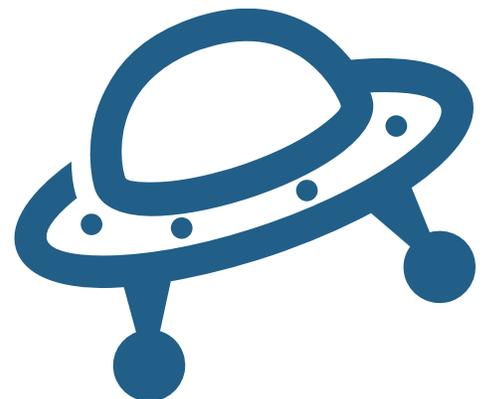

At the same time keep a copy for yourself as a reminder of what you have to finish and show the guild. The team that shows the most completed items on their list will win. I will also accept email lists sent to wat2so@accesscomm.ca

When you bring/ show your finished items to the meeting show them to the Challenge Coordinator (Renee B). I will check them off your list and at the end of the night tally team points. Showing your completed UFO at the meeting will give the guild members an opportunity to enjoy the quilts at the show and share time.

The Challenge is all about FUN - Cleaning out your quilting room, completing projects that have been collecting fabric fairy dust for months. The more space - the more fabric you can buy!!

SIZE	QUILTED ITEM	SCORE
0-60 inches	small wall hanging etc	1
60-100 inches	wall hanging	2
100-200 inches	baby sized quilt	4

The Prairie Piecemakers Quilters' Guild is entering its 30th year as an incorporated organization, serving quilters, promoting the quilting arts and supporting the development of quilting in Regina. Your advertisement is an effective way to reach a local and a broader audience of quilters:

Local audience: the Prairie Piecemakers Quilters' Guild publishes 10 newsletters each year, monthly from September through June. The newsletter is distributed to all Guild members (currently 110 members and growing).
Extended audience: advertisers in the newsletter are recognized on the Guild website (www.prairiepiecemaker.com) with a link to their website and/or contact information. Each newsletter is posted on the Guild website and remains available for public download through the newsletter archive.

Timelines:
 Advertisers should send their advertisement copy to the editor of the guild newsletter two weeks before the end of the month prior to the next issue of the newsletter. Please see the Guild website for our Advertising Guidelines.
